Announcements

Week of August 11, 2024

Parents, take the night off Friday, August 16th from 5:30-8:30 pm and drop off your kids at Sunrise for a parents night out. Games, crafts, dinner, and entertainment provided. Sign your child/children up at [oursunrise.org](https://www.oursunrise.org) under events and registration or by visiting <https://www.oursunrise.org/resources/events-registration/>. If you are interested in helping out with this event, please contact the church office at hello@oursunrise.org.

Cents Ability is collected in the bowl in the Narthex today. Thanks to you, donations have been made to Neighbors Together, East Cooper Meals on Wheels, and East Cooper Community Outreach. Please continue to give at least two cents per person per meal in the bowl in the Narthex on the 2nd Sunday of each month. This simple act is an expression of thanksgiving for what we have received.

Please welcome the newest member of Sunrise Church's team, Breezy Baxley! Breezy is a Charleston native and joins us as the new Youth Leader for middle school. Her first youth group meeting will be Sunday morning, August 18th and is intended for youth grades 6th-8th.

A new member class is currently being organized. If you are interested in learning more about Sunrise or joining Sunrise, please reach out to Shauna Nelson at shauna29466@gmail.com or you may contact the church office at hello@oursunrie.org.

A BIG Thank You for the generous outpouring of school supplies for the Neighbors Together Back to School Block Party! Due to the recent storm and flooding, the block party at the Perry-Webb Community Center Saturday, August 10th has been cancelled and items will be distributed directly to students.

S.T.E.P.S.- Studying + Teaching + Equipping + Praying + Serving: This presbytery-wide event is a wonderful opportunity for church members, teachers, ministry teams, worship/music leaders, officers, and staffs to enrich their faith and understanding of the church. Join us for the two workshops being offered at STEPS (August 24) facilitated by the Rev. Dr. Jerry Cannon. One workshop will be Shared Ministry and Sustainable Mission, a program that supports small congregations and others on a tight budget to covenant to create sustainable pastoral positions. His second workshop will be You Can Grow which will examine some strategies and analysis tools to review healthy evangelism practices for the post quarantine church. Registration information can be found on brochures in the Narthex or by visiting <https://capresbytery.org/steps-2024/>.
